

## SEDATION REQUIREMENTS

### Initial Requirements for Administration of Moderate Sedation and Analgesia

- \*Completed privilege profile.
- \*Completion of appropriate Learning Exchange module(s) (within the last 24 months)
- Maintenance of advanced life support certification (ACLS I PALS I ATLS I NRP)
- FPPE Plan that includes the proctoring of 5 sedation cases.

### Reappointment Requirements for Administration of Moderate Sedation and Analgesia

- \*Completed privilege profile.
- \*Completion of Learning Exchange module(s) as needed for initial privileging (within the last 24 months)
- Maintenance of advanced life support certification (ACLS I PALS I ATLS I NRP)
- Completion of at least 25 Moderate Sedation cases each cycle OR
- Completion of at least 10 Moderate Sedation cases each cycle AND completion of Simulation Lab certification (within the last 24 months).

\*\*\*\*\*

### Initial Requirements for Administration of Deep Sedation

- \*Currently hold Administration of Moderate Sedation and Analgesia privileges.
- \*Completed privilege profile
- Maintenance of advanced life support certification (ACLS I PALS I ATLS I NRP)
- Completion of appropriate Learning Exchange module(s) (within the last 24 months)
- Completion of Simulation Lab Training (Certificate) (within the last 24 months)

### Reappointment Requirements for Administration of Deep Sedation

- \*Completed privilege profile
- \*Completion of appropriate Learning Exchange module(s) (within the last 24 months)
- Maintenance of advanced life support certification (ACLS I PALS I ATLS I NRP)
- Completion of Simulation Lab Training (Certificate) (within the last 24 months)
- Completion of at least 5 Deep Sedation cases per year.

**Note:** ED, OMFS, PICU & NICU providers are required to meet (\*) asterisked items only. (ED & OMFS providers must meet both (\*) Astericked items and OMFS must complete 5 intubations/LMA placements per year and maintain internal log). (PICU providers must meet only the 1st (\*) Astericked item (and maintain internal log); (NICU must meet 1st (\*) item and maintain current NRP certification)
